Lifetime
Care Club

PLANNING FOR YOUR PET'S HEALTH

Our Lifetime Care Club provides all the support you need to ensure your pet's long and happy life; it is easy to manage with our cost effective Direct Debit scheme.

Vaccinations, health checks, flea and worm treatments are included for cats and dogs. Rabbits benefit from vaccinations, health checks, flystrike prevention and a monthly bag of either hay or food.

Regular visits with our vets and nurses allows us to carefully monitor your pets health as they age and to offer advice, support and treatment planning which may prevent problems arising in the future.

Our monthly Direct Debit payment scheme spreads the cost throughout the year so you can rely on constant care.

It couldn't be simpler

All Lifetime Care Club members receive added benefits of discounts on many other items within the practice such as neutering, dentistry, long term medications, food and all pet shop items.

HOW DO I REGISTER?

Please complete both the application and Direct Debit forms and hand them to a member of staff.

We will require your bank account details.

Your first payment is due at the time of registration. Full benefits may be restricted until your first direct debit payment has been taken, though discounts can be enjoyed straight away. A member of our team will be happy to help you and answer any queries you may have.
